

MANAGED STAFFING SERVICES

Mitigate Employment Risks, Workforce
Innovation & Compliance

MINORITY WOMEN-OWNED SMALL BUSINESS

GenesisTMG offers managed staffing service, which helps to vet and place the best possible candidate for your business. Our service mitigates employment risk such as background check, readiness training and ensures workforce compliance. The right candidate must be the best fit for your needs. As a strategic partner, we aim to provide 'peace of mind' so that our customers can focus on core operations. Our sourcing and vetting framework is a rigorous process designed to support the success of your organization.
